Flashlight	Flashlight	Flashlight

Notes:

- Water Bottles are a Requirement! Metal and Plastic wide Mouth bottles such as Nalgene and CamelBak Bottles are the best! **HYDRATE OR DIE**
- Pack lightly as possible--Pack everything needed to be prepared, but think before you pack
- This list includes the basics for you to survive a camping trip, consider extras like snacks and a pillow. (On normal troop outings, meals are planned and provided. Remember \$ for Grub)
